

BROADLANDS NEWSMAKERS

Great Job!....Two Snaps to You!...Way to Go!....Congratulations!

Students at Mill Run Elementary School in Ashburn got to see a different side of their principal Friday. Paul Vickers, the principal of Mill Run Elementary School, spent much of the school day working from the roof. He was up there for more than three hours. He even set up an office complete with phones and assistants.

It was part of a program for students who've done good deeds during the week. Their reward is they get to choose something for the principal to do.

Briar Woods High School Football received the 2006 Dulles District Sportsmanship Award as rated by the Varsity Football Game Officials of the Northern Virginia Football Officials Association, Inc. A plaque was given to Mr. Breinig in April signifying the honor. Congratulations on a job well done Falcon Football!

International Day Celebration at The Boyd School Broadlands Campus

Students, families and staff at The Boyd School Broadlands Campus celebrated and honored their cultural diversity with an International Day Celebration held Saturday May 5th.

Each toddler and primary classroom selected a continent (or country within that continent) to represent. In each classroom, the students found games, crafts including Chinese lantern painting and making Egyptian kartooshs, as well as other activities, traditional dress, and food. The elementary students held a "Suitcase Fair." Each elementary student presented a suitcase display representing the country they had completed an individual study on.

Upon arrival each student was given their very own "Passport" to tour the world represented by each classroom. After visiting each room the children stamped their passports. Those attending dressed in traditional clothing and sampled international dishes which families brought to represent their homelands.

The Boyd School is fully accredited by the Southern Association of Colleges and Schools and The American Montessori Society. The Boyd School established in 1994 is locally owned and operated. There are five campuses serving children and families from 18 months through 8th grade.
